## **Join Inner Spiritual Center for our Evening of Healing with the Spirit World**

Wednesday November 1, 2017 7pm-9 pm

**Join Rev. Bill Coller and Rev. Sharon Siubis**

For an evening of

understanding the Spirit World's healing potential through each of us.

Whether you already work with healing modalities or are just curious, this evening will blend lecture, examples, and exercises giving each participant an opportunity to experience their own connection with the spiritual world and its helpers.

Spiritual healing is never a replacement for Medical attention and care; however the peace and calmness it can bring allows each person's experience to be unique.

**This event is open to all – Please pre-register on the website**

**No Class Fee**

**Donation Basket available for those wishing to help support ISC**

***Please join us for a powerful evening.***
