## **INNER SPIRITUAL CENTER** **Welcomes Karen Frances McCarthy**

### **Wednesday 4/1 7:00 pm- 9:30 pm \$45.00- All Levels** **Meeting and Working with your Spirit Guides**

If you are embarking on a spiritual path or seeking to develop your healing or intuitive ability, get to know your own guides. In this evening workshop, you will be guided to meet and work with your guides so that you can form a lifelong relationship that can guide and help you on your path. You will learn to work with your clairvoyant (seeing) and clairsentient (sensing) ability so that you can begin the communication process.

### **Wednesday 6/3 7:00-9:30 pm \$45.00- All Levels** **Learn to Read and Draw the Aura**

No artistic talent or training is needed, just your sense of adventure and love of spirit. Paper and pastels will be available for use during this class.

In this workshop, you will begin to learn to tune to your own and others auric fields to produce a pictorial representation of that aura through color and symbol. You will have the opportunity to build your own symbol and color system and experience a beautiful and easy way and introduction to spiritual unfoldment and insights for yourself and others.

Karen Frances McCarthy MA, CSNU is a medium, author, former media journalist, and teacher/practitioner at the Edgar Cayce center in NY, The Spiritualist National Union in the UK and many centers throughout the US and Ireland. An advocate of the ethical practice and healing potential of mediumship, she underwent years of intensive training at the Arthur Findlay College in England. As a speaker and educator, Karen strives to help people awaken to their essential nature and as a medium brings connections with the spirit world of healing and support. As a teacher, she strives to imbue students with inspiration from the spirit world so they may serve as a light for others.
